The Audi RS 5 Cabriolet

Pricing and Specification Guide

Valid from May 2013

Personalising your Audi RS 5 Cabriolet

This guide has been designed to help you tailor and price your Audi RS 5 Cabriolet quickly and logically. At the back, you will find information on CO_2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. You can also configure your Audi RS 5 Cabriolet online at audi.co.uk.

Audi Vision

To accompany this printed guide, we've created Audi Vision – an intuitive app that lets you find out even more about the Audi RS 5 Cabriolet. Compatible with Apple and Android phones and tablets, Audi Vision gives you exclusive access to images, information and video content – all of which is designed to help you explore and understand the options available with this model.

You'll see the Audi Vision logo printed next to the page number on pages throughout this guide and wherever you do, you'll be able to view additional content on that page.

Vorsprung durch Technik

Three words that express the very essence of Audi. Vorsprung durch Technik isn't a slogan. It's our way of seeing the world. It is the driving force behind our history of innovation that continues into the 21st century. Indeed, many technologies that Audi pioneered remain in our cars today. Some are milestones in the history of the motorcar.

From our beginnings in 1899, to the Auto Union team's Grand Prix successes in the 1930s and our more recent wins at Le Mans, we have always been at the forefront of the motor industry.

Vorsprung durch Technik makes us who we are. To see more of its influence, just read on.

Introducing the RS 5 Cabriolet

The RS story has unfolded over the last fifteen years, delivering a series of elegant yet supremely powerful models – and the RS 5 Cabriolet is no exception. As a direct descendant of our most exciting high-performance models, it's the culmination of the technical expertise we've gained on roads and racetracks all over the world. Our long history of motorsport success is evident throughout the RS 5 Cabriolet. Some of the world's toughest races have taught us how to propel our cars ever more powerfully, responsively and efficiently. The RS 5 Cabriolet's engine epitomises this knowledge. A close relative of the V10 in the Audi R8, the 4.2 V8 FSI® engine develops 450PS and transmits a maximum of 430 Nm of torque. However, you'll see as you read on, there's much more to the RS 5 Cabriolet than thrilling power and handling – but we think you'll agree that these qualities are an excellent place to start.

IN RS 5030

RS 5 Cabriolet interior story

We've introduced a number of finishing touches to the Audi RS 5 Cabriolet interior to make your driving experience both comfortable and unique. You'll find an impressive attention to detail in everything from the luxurious leather seating to our optional customised stitching, which means that every journey you make will be a personal one.

Our Fine Nappa leather upholstery contains special colour pigmentation which prevents an intense build-up of heat, reflecting the sun's infrared radiation and helping to reduce surface temperature by up to 20°C .

Engine

Petrol

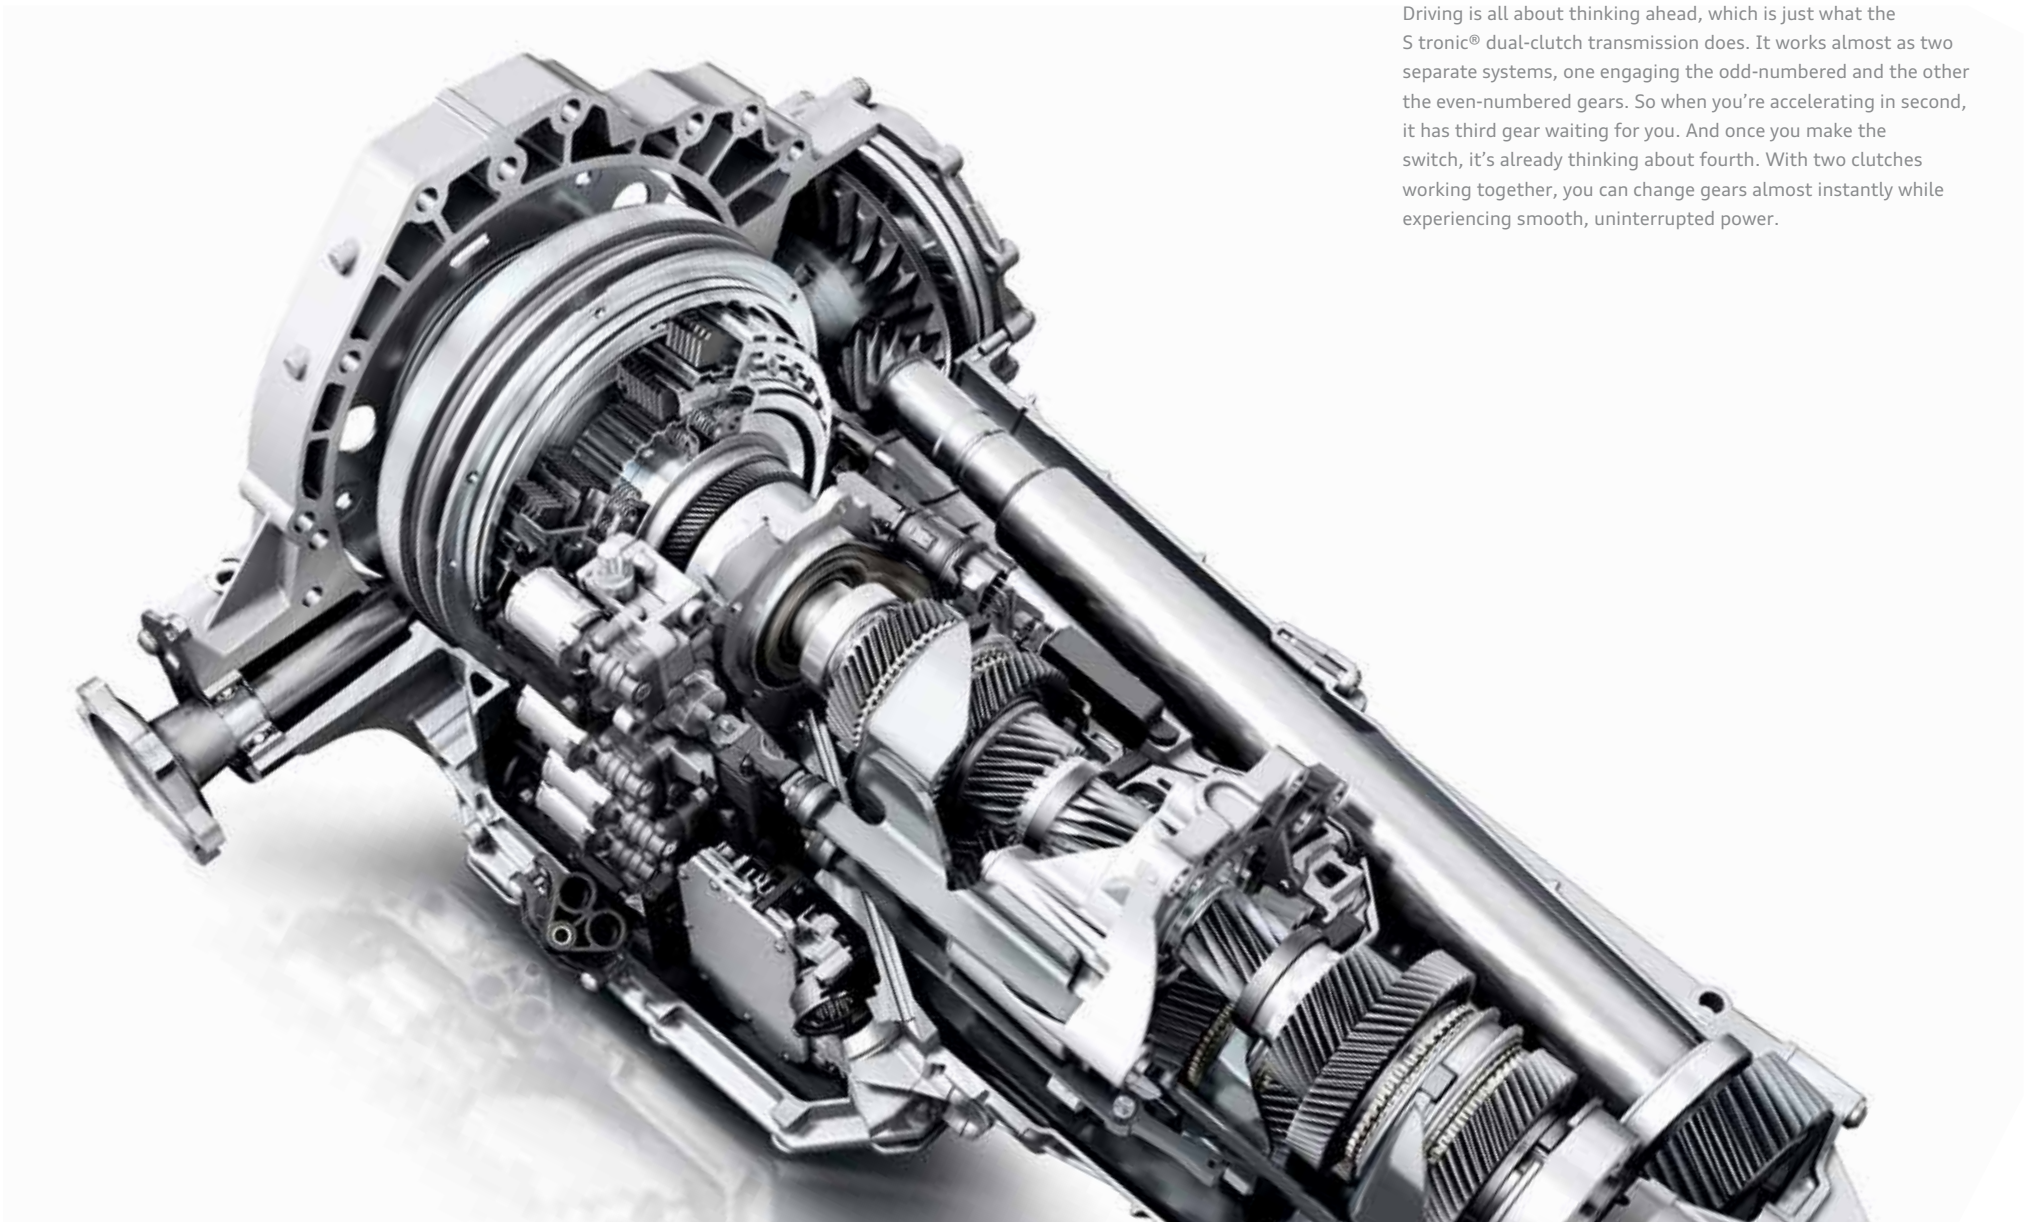
A 4.2-litre V8 FSI® engine is one innovation that sets the RS 5 Cabriolet apart – and keeps it there. That's thanks to our Le Mans-winning fuel-injection technology, which provides enhancements to fuel efficiency, power and torque. But this unit is capable of more than just delivering raw power; it's also adept at using it. Launch control combines both braking and acceleration to give you the quickest possible start, taking the RS 5 Cabriolet from 0 to 62mph in just 4.9 seconds. And once you accelerate, the engine provides consistent power build-up and superb responsiveness across the entire rev range. So when you need that bit more power, whatever the situation, you can be confident it will deliver. The impressive acoustics of the exhaust system with sound flap produce an unadulterated V8 sound – while there's also the option of a sports exhaust system with black tailpipe trims and even more distinctive acoustics.

Image for illustrative purposes only.

Transmission

S tronic®

Driving is all about thinking ahead, which is just what the S tronic® dual-clutch transmission does. It works almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear waiting for you. And once you make the switch, it's already thinking about fourth. With two clutches working together, you can change gears almost instantly while experiencing smooth, uninterrupted power.



Technology

quattro® with Sports differential

The Audi RS 5 Cabriolet features the very latest generation of quattro® permanent all-wheel-drive – the exclusive road-holding technology that's helped Audi dominate the racetrack ever since 1980. Two decades and many evolutions later, it's 2.5kg lighter, more compact and now features the brand new crown-gear centre differential – an addition which achieves high locking values for even greater traction. A torque vectoring function also distributes different amounts of driving force to each wheel as necessary. The result: firm traction, precision handling and high lateral stability – no matter what the road conditions.

Images are for illustrative purposes only

High-performance braking system

A car as powerful as the RS 5 Cabriolet needs an equally powerful system to slow it down. The high-performance braking system has black, high-gloss 8-piston fixed callipers in the front wheels and single-piston sliding callipers in the rear. The brake discs are internally ventilated, and perforated for enhanced performance. And for even more impressive braking power, there's the option of 19-inch ceramic brakes.

Standard model equipment

All RS 5 Cabriolet models have the following items of standard equipment

The equipment for the Audi RS 5 Cabriolet builds upon the standard equipment for the Audi S5 Cabriolet. The typical characteristics of the Audi RS models emphasise the exclusive, dynamic and sporty character of the Audi RS 5 Cabriolet. It is unmistakable.

Wheels, tyres and suspension

19" x 9J '10-spoke' design alloy wheels with 265/35 R19 tyres and locking wheel bolts

Audi drive select changes your car's handling and responses at the touch of a button to suit the way you want to drive. Enables the driver to alter the throttle response, the shift point of the automatic transmission, exhaust flap control and the power steering feel between the three pre-set modes: comfort, dynamic and auto or individual mode

RS high-performance braking system with brake callipers painted in highly polished black, and RS logo at the front

quattro® permanent all-wheel-drive with Sports differential – the electronically regulated Sports differential distributes variable amounts of driving force to each rear wheel, ensuring outstanding acceleration performance when cornering and stabilising the vehicle's response to load change. It also ensures better direct steering characteristics and, thanks to less steering effort, more agile handling

Tyre Mobility System

Electromechanical power steering

RS 5 Sports suspension

Safety and security

Audi parking system plus, acoustic and visual parking assist system for the front and rear

Rest recommendation system – analyses driving behaviour based on steering, pedals and gear lever movements. If the system detects a change in driving patterns it can, via audio and visual effects, notify the driver of the possible need to take a break

Electromechanical parking brake – includes parking brake function when stationary, drive-off assistance function through automatic release when driving away and emergency braking function whilst driving, acting on all 4 wheels

Electronic Stability Programme (ESP)

First-aid kit

Front airbags

Front and rear ISOFIX child seat preparation with front passenger airbag deactivation switch

Front side airbags

Light and rain sensor – automatically switches the dipped beam headlights and windscreen wipers on/off depending on the light and rain conditions

Also includes coming home/leaving home function which delays the deactivation of the front and rear lights after locking and automatically activates the lights when unlocking

Rear fog lights

Thatcham category 1 alarm

Toolkit and car jack

Tyre pressure monitoring system

Warning triangle

Seats

Electric lumbar support for front seats

RS Super Sports seats, electrically adjustable

Fine Nappa leather with heat protection, contrasting piping and RS embossing

Leather armrests including leather covered armrest on door panel

RS multi-function steering wheel

19" x 9J '10-spoke' design alloy wheels

RS Super Sports seats

Carbon inlays

Audio and communication

Audi Sound System speaker package, with 10 speakers including subwoofer (180 watts)

HDD-based Satellite Navigation with 3rd Generation MMI. Hard disk navigation with topographical map displays places of interest and town models in 3D, with high-resolution 7" colour TFT display. The system offers three alternative routes, with the ability to scroll along the selected route and manoeuvre within the map. Uses 7-digit postcode recognition. Includes split-screen mode for route information, dynamic route guidance (TMC), intersection zoom function, motorway exits and lane recommendations in Driver's Information System (DIS)

When combined with mobile telephone preparation – High with Audi connect (9ZW), the system uses Google Earth images for navigation

Includes 2 SD card readers, single CD/DVD player and 40GB hard drive, Jukebox (20GB) for storing and managing music files in WMA and MP3 format. Includes European navigation data (where digitalised)

Audi Music Interface – provides connection for use with stereo audio sources, USB and MP3 devices including Apple iPod generation 4 onwards and Apple iPhone. Provides intuitive control through the audio system and multi-function steering wheel. It also replicates the iPod display on the audio screen and DIS, including track titles. The interface provides a charging function (dependent on device). Includes 2 cables to connect your iPod or USB MP3 device

DAB digital radio – integrated into MMI, receives digitally-transmitted radio stations in addition to the range of analogue stations. Displays music track, artist and radio program. Capable of 'DAB slideshow' where transmitted. Reception dependent on local digital network. Automatic switch from DAB to FM reception if the network signal is not strong enough

Mobile phone preparation – Bluetooth interface

Interior equipment

Carbon inlays

Cruise control – maintains any speed above 18mph, provided the engine power output and engine braking effect permit it; operated via separate steering column stalk. The set speed is displayed in the Driver's Information System

Deluxe 3-zone climate control with separate air distribution and digital display for the driver and front passenger. System includes air-conditioning controls in the rear centre console for passenger compartment

Auto-dimming rear view mirror

Wind deflector

Driver's Information System (DIS) in colour with energy-saving tips. Shows the radio station or track title, telephone control, menu and other display information from the infotainment system, such as navigation. Also includes an on-board trip computer with short and long-term trip memory, outside temperature display, digital speedometer and door or boot open warning

Front centre armrest including 12V power socket

Interior light package. Includes front and rear footwell lighting, active door reflectors, illuminated vanity mirrors, rear reading lights, entrance lights and illuminated glove compartment, vents and internal door controls

RS instrument panel

RS 3-spoke flat-bottomed steering wheel with aluminium-look shift paddles and RS 5 emblem; covered in perforated leather with contrasting stitching in rock grey

Storage package

Through-load facility located in the backrest of the centre rear seat, providing practical and safe transport of long objects. Includes ski/snowboard bag for up to 4 pairs of skis or 2 snowboards up to 200cm in length

Exterior equipment

Fully automatic hood (can be operated at speeds up to 31mph)

Audi single-frame grille. Honeycomb structure in high-gloss anthracite with matt-finish aluminium-look frame

Adaptive lights including Xenon headlights, LED daytime-running lights, LED rear lights, headlight washer system and automatic range adjust

Exterior mirrors – electrically operated and heated

Matt-finished aluminium-look door mirror housings, windscreen frame and grille

RS body styling including front bumper with enlarged air inlets, rear diffuser and flared wheel arches

Fixed rear spoiler, finished in carbon

Two oval exhaust pipes

Fixed rear spoiler, finished in carbon

Oval exhaust with optional matt aluminium styling package

Honeycomb structure in high-gloss anthracite with matt-finish aluminium-look frame

LED rear lights

RS 5 Cabriolet

Engine	Power	Transmission	CO_2 g/km	Basic RRP	Total RRP inc VAT	Recommended OTR
4.2 FSI quattro	450PS	7-speed S tronic	249	£56,250.00	£67,500.00	£68,985.00

Please note: The maximum power output figures are quoted in PS (or Pferdestärke, which is the metric equivalent of brake horsepower). To convert to brake horsepower, divide the PS figure by 1.0139.

Recommended On-The-Road (OTR) retail prices include: delivery charge, half a tank of fuel, number plates at £590.00 (inc. VAT), Road Fund Licence (which may vary depending on model/transmission see page 58 for details) and first registration fee at £55.00 . Vehicle Excise Duty correct at time of going to print, but this may alter to reflect any change in the applicable VED rate.

RRP – Recommended Retail Price. VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

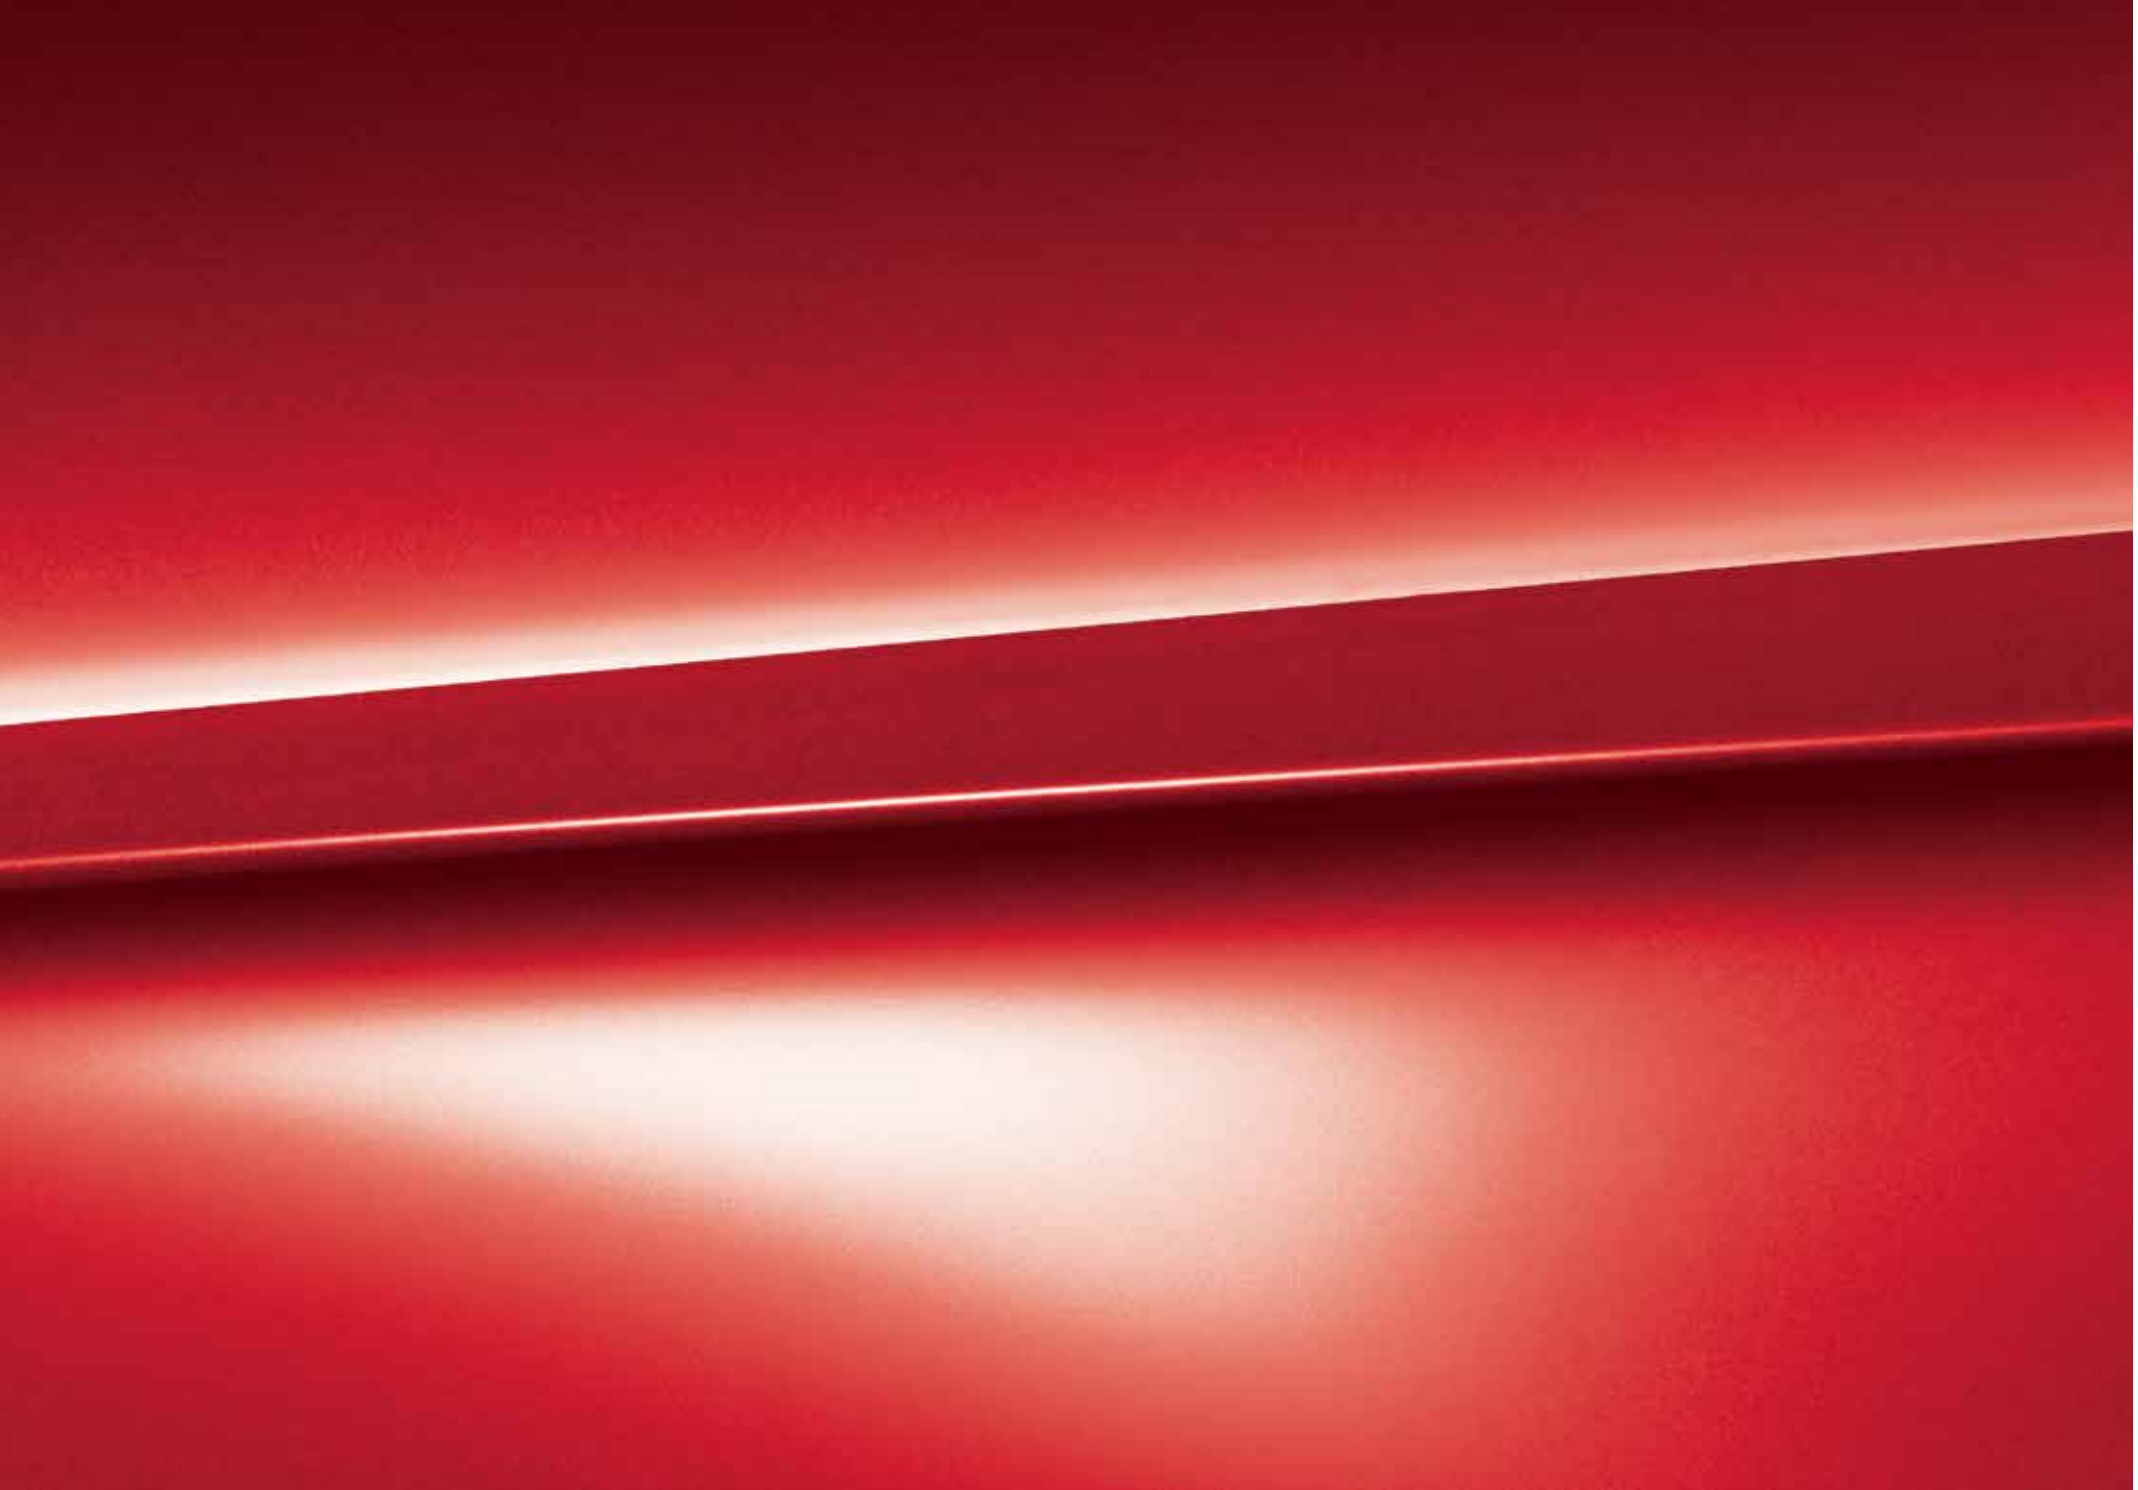
Audi exclusive

Every Audi is intrinsically exclusive.
It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that special touch you can specify your Audi RS 5 Cabriolet with options from Audi exclusive. Whether you want a unique, custom-mixed paint colour or seats in a combination of complementary shades, Audi exclusive will enable you to drive the car you've always imagined.

Both the exclusive and standard options can be found on the following pages.

Paint

We believe that every part of your car should have a personal touch. Which is why you can choose from a wide range of paint colours and finishes, from standard shades to metallic and pearl effects. We can even mix a customised colour for you to create the perfect fit.



Paint

You can select the standard Ibis white shown opposite or, for a different look, choose from the range of optional finishes.

Options are subject to availability and may extend delivery.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

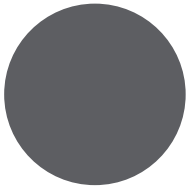
Visit your local Audi Centre for a more accurate colour swatch.

RRP – Recommended Retail Price.

VAT is calculated at 20% but this may alter to reflect any change in the applicable VAT rate.

Standard colours

Ibis white – **T9**



Nardo grey – **T3**

Paint

Audi exclusive

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Sepang blue from the Audi R8 or Alpine white from the original Audi quattro. The choice is yours.

Customised

If you have a particular colour in mind, we'll mix the exact metallic or pearl-effect shade you want.*

Options are subject to availability and may extend delivery.

*Customised paint is subject to factory approval, and is available for metallic and pearl-effect water-based paints only. Three-colour process colours and two-tone schemes are not available.

**Visit your local Audi Centre for colour samples.

All the colour swatches on this page are matched as accurately as possible to the actual paint colours used. However, due to print processes, Audi UK cannot guarantee that colours shown are 100% accurate.

Order Code		RS 5	Basic RRP	Total RRP inc VAT
WC9	**Sports package.** **A choice of 20" alloy wheels.** Please see page 40 for selection **Sports suspension plus with Dynamic Ride Control (DRC).** Enhanced suspension setup which consists of a special shock absorber system that counteracts pitch and body roll movements without using any electronic devices. With DRC, diagonally opposed shock absorbers on the car are linked together hydraulically. A central valve varies the shock absorber operating characteristic, for instance when the steering wheel is turned and the car corners, so that movement around the longitudinal axis (roll) is significantly reduced. DRC uses the same principle to counteract body movement around the transverse axis (pitch) when the car accelerates or brakes. There is a choice of 3 settings: comfort, dynamic or auto **Dynamic steering.** Improves comfort and handling by dynamically regulating steering according to the driving situation. Allows the steering feel to be adapted to road, speed and the chosen Audi drive select mode. With this technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations. Also enhances active safety with corrective steering inputs if critical situations are detected **Sports exhaust.** Further enhances the engine sound of the RS 5 Cabriolet, with black tailpipe trims	•	£1,875.00	£2,250.00
PCB	**Driver assistance package** includes adaptive cruise control, Audi parking system advanced and Audi active lane assist. **Adaptive cruise control** with braking guard. Intelligent automatic speed and distance control system. Works at speeds from 19-155mph, using radar sensors to measure and maintain required distance to vehicle ahead by braking and accelerating. Four programmes (distance 1 to distance 4) set via steering column controls of the cruise control system. Includes Audi braking guard – a system which triggers a visual and acoustic alarm when it detects the risk of a rear end collision with the vehicle in front. At speeds below 19mph the system can initiate partial braking or full deceleration to help prevent a collision if a potential impact is detected or if it is not possible to completely prevent a collision, the system will focus on reducing the speed at which the vehicles collide **Audi parking system advanced.** Aids parking by acoustically and visually indicating distances to obstacles with guiding lines. Measured by sensors and reversing camera **Audi active lane assist.** Helps the driver to stay in lane with gentle steering impulses for greater safety and convenience, particularly on motorways and country roads. The system informs the driver if the car is drifting out of its lane unintentionally	•	£791.67	£950.00

Bang & Olufsen sound system

IN RS 5030

Audio and communication

Stay in touch using our range of communication functions, and give each journey its own soundtrack with our advanced audio equipment.

Order Code		RS 5	Basic RRP	Total RRP inc VAT
9VK	**Bang & Olufsen sound system.** Designed specifically for the Audi RS 5 Cabriolet, featuring 14 high-performance speakers and two amplifiers which create 505 watts of stunning 5.1 surround sound, balanced to suit the specific acoustic properties of the car's interior. The system constantly and automatically adapts the sound characteristics to the vehicle's speed, background noise and whether the roof is open or closed, to provide the highest level of quality	●	£445.83	£535.00
9ZF	**Mobile telephone preparation – Low.** Uses Bluetooth interface or cradle to connect to your RS 5 Cabriolet, using the car's own GSM antennae for optimal reception and charger. A phone adaptor is required at extra cost – please consult your Audi Centre for phone compatibility	●	£145.83	£175.00
9ZW	**Mobile telephone preparation – High with Audi connect.** Audi connect provides access to a number of innovative online services via an internal UMTS (3G) module. Audi connect online services include: navigation using Google Earth images and Google Street View, destination entry via Google Maps or myAudi, online point of interest search and information services such as weather forecasts and the latest world news. Audi connect also includes Audi traffic information online, which gives accurate real-time forecasts of the traffic situation along the chosen route. The traffic situation can be displayed on the navigation map or Google Earth image. Audi connect can also create a Wi-Fi hotspot in the car for convenient internet access using a mobile device (e.g. laptop or tablet). Many Audi connect features can be simply operated via MMI Navigation Plus or the multi-function steering wheel. Only in combination with Technology package (WB6) **Important connectivity information:** An external data source is required to enable the Audi connect online services. One of the two following external data sources can be used[1]: 1. A mobile telephone with Bluetooth SIM Access Profile[2] 2. A separate SIM card which can be inserted in the included SIM card reader. When a separate SIM card is used, hands free phone calls are possible using the SIM card or by connecting a different mobile telephone via Bluetooth Hands Free Profile	●	£291.67	£350.00
7D1	**CD changer**	●	£254.17	£305.00
QU6	**Digital TV reception.** Reception of digital (DVB-T) uncoded television stations (MPEG-2 standard), TV picture, teletext and Electronic Programme Guide (EPG). Facility to connect 2 external AV sources via adaptor cables (available from Audi Genuine Accessories). TV reception depends on local digital network availability. No AV or TV video output when driving (audio output available when driving)	●	£687.50	£825.00

Options are subject to availability and may extend delivery.

[1]Online services are only available for mobile phone contracts or SIM cards which include a data option and only within the coverage of the mobile phone network; there may be additional costs for the use of these services (charges and billing correspond to the personal mobile phone contract or SIM card contract). Due to high data volumes, a mobile phone contract including an unlimited or high usage data plan is strongly recommended. The content and scope of the online based services offered may vary.

[2]To check the compatibility of your mobile phone and whether it has SIM Access Profile compatibility, please visit www.audi.co.uk/owners-area/phone-compatibility.html.

Looking after your Audi

When you've chosen your ideal model, it's reassuring to know that it will remain in safe hands. That's why we've created products to protect your Audi, from extended warranties to Audi Complete – our comprehensive service and maintenance package. And there's also a range of Audi accessories and merchandise to choose from, enabling you to further enhance and safeguard your car.

Audi Complete

Audi Complete is simply a way to look after the servicing and maintenance costs for your Audi in a single package. You pay a one-off or monthly fee and we'll cover all your servicing, maintenance and tyres for the next three years, including your first MOT. It means you only have to pay for fuel, insurance and your Road Fund Licence. So you can be reassured that your car will be maintained by trained Audi Technicians, using genuine Audi parts. You can also opt for our Service only or Service and Maintenance packages if you prefer.

*Retail customers only. Pricing based on 3 years/30,000 miles (whichever occurs sooner). All pricing is a 'starting from' price for the Audi RS 5 model range and is therefore subject to change and mileage/model dependent.

Order Code			RS 5	Basic RRP	Total RRP inc VAT

Merchandise

From the enthusiasts' motorsport collection to the sophisticated Audi collection, there's a wide variety of adults' and children's clothing, lifestyle accessories and collectables, all of which bear the Audi name.

Please speak to a member of our team at your local Audi Centre to see the full Audi collection and to place an order. A selection of Audi merchandise is also available to buy from **audi.co.uk/merchandise**.

Audi Difference

The experts in Vorsprung durch Technik

Our Audi Approved Master Technicians have undergone an impressive 100,000 hours of training over a 10-year programme to ensure they have the latest technical expertise for maintaining and servicing your Audi. All our Service Advisors undergo a specialist induction and training to ensure they are Audi professionals and able to talk to you about any issues you may have with your Audi vehicle.

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you enhance the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

We offer two different schedules: the fixed Inspection Service and the variable LongLife Service schedule. The conventional fixed Inspection Service schedule has fixed intervals for the Oil-change Service and Inspection Service, which are determined by time and distance.

With the variable LongLife Service schedule, the Inspection Service intervals are also fixed but the Oil-change Service intervals are variable. Sensors take account of driving style and conditions to determine when the Oil-change Service is required and the driver is informed via the on-board service interval display.

The choice of Service Schedule will depend on journey type and mileage as well as individual driving style and conditions. The table to the right can be used for guidance but your Audi Centre will help you to determine the most suitable Service schedule for you based on your individual circumstances and preferences.

Fixed Inspection Service Schedule

	Vehicle usage:
Mileage	Less than 10,000 miles per annum Mainly city/town centre driving. Short journeys.
	Service Intervals:
Oil-change Service	Fixed to every 9,000† miles/1 year
Inspection Service	Fixed to every 19,000† miles/2 years

Variable LongLife Service Schedule

	Vehicle usage:
Mileage	More than 10,000 miles per annum Motorway and main road driving. Mainly longer distance journeys. Constant speeds.
	Service Intervals:
Oil-change Service	Variable to a maximum of every 19,000† miles/2 years
Inspection Service	Fixed to every 19,000† miles/2 years

When a vehicle is frequently used in the following conditions, we recommend a Fixed Inspection Service Schedule, regardless of mileage:

Uneconomical driving styles, e.g. heavy acceleration and braking, constant use of high revs

High engine-loading conditions, e.g. frequent towing and hill climbs

†As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

Your convenience comes first

At Audi you can choose from a range of convenient services that suit your needs. Why not book a 'service while you wait' appointment* and enjoy our complimentary refreshments while your car is with us? Or, if you need to be mobile, take advantage of one of our courtesy cars which we can even deliver to you.* We guarantee we can service your Audi within 5 days without a courtesy car or within 10 days if you need transport. We will also ensure your car is returned to you with a full valet.

Audi Genuine Parts

You can rest assured that only Audi Genuine Parts will be used on your vehicle. What's more, Audi parts and labour come with a 2-year guarantee.**

No hidden costs

We believe strongly in transparency when it comes to our prices. For added peace of mind, we will give you a quotation over the phone for the work you have requested and email you the price confirmation. We'll consult you if any additional work on your car is needed when it is with us. We won't carry out any extra work without asking your permission first.

All part of the service

Whenever we see an Audi for a service, we connect it directly to our headquarters in Ingolstadt which enables us to check your car's software and make sure it's as up-to-date as possible. If the factory has released a software upgrade for your model, it can be applied immediately – improving anything from your car's efficiency to the precision of its parking system.

Audi Roadside Assistance

Your new car comes complete with 3 years' complimentary roadside assistance and recovery across the UK, provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

For further information and terms and conditions please visit audi.co.uk.

* Subject to availability.

**Excludes wear and tear.

RS 5 Cabriolet technical data

Engine	**4.2 FSI quattro**

Fuel tank capacity approx, litres	61
Emission standard	EU5

*Electronically limited. Please see page 41 for option to increase limit.

**Highest insurance group rating shown. Group may be lower dependent on trim level. Please visit www.thatcham.org/wabigrouprating for details.

[1]The given value was obtained in accordance with the specified measurement procedure (the respective current version of Directive 80/1269/EEC).

[2]Fuel consumption and CO_2 emissions figures are obtained under standardised test conditions (Directive 93/116/EEC) using a representative model. This allows direct comparison between different models from different manufacturers, but may not represent the actual fuel consumption achieved in 'real world' driving conditions. More information is available at www.vca.gov.uk.

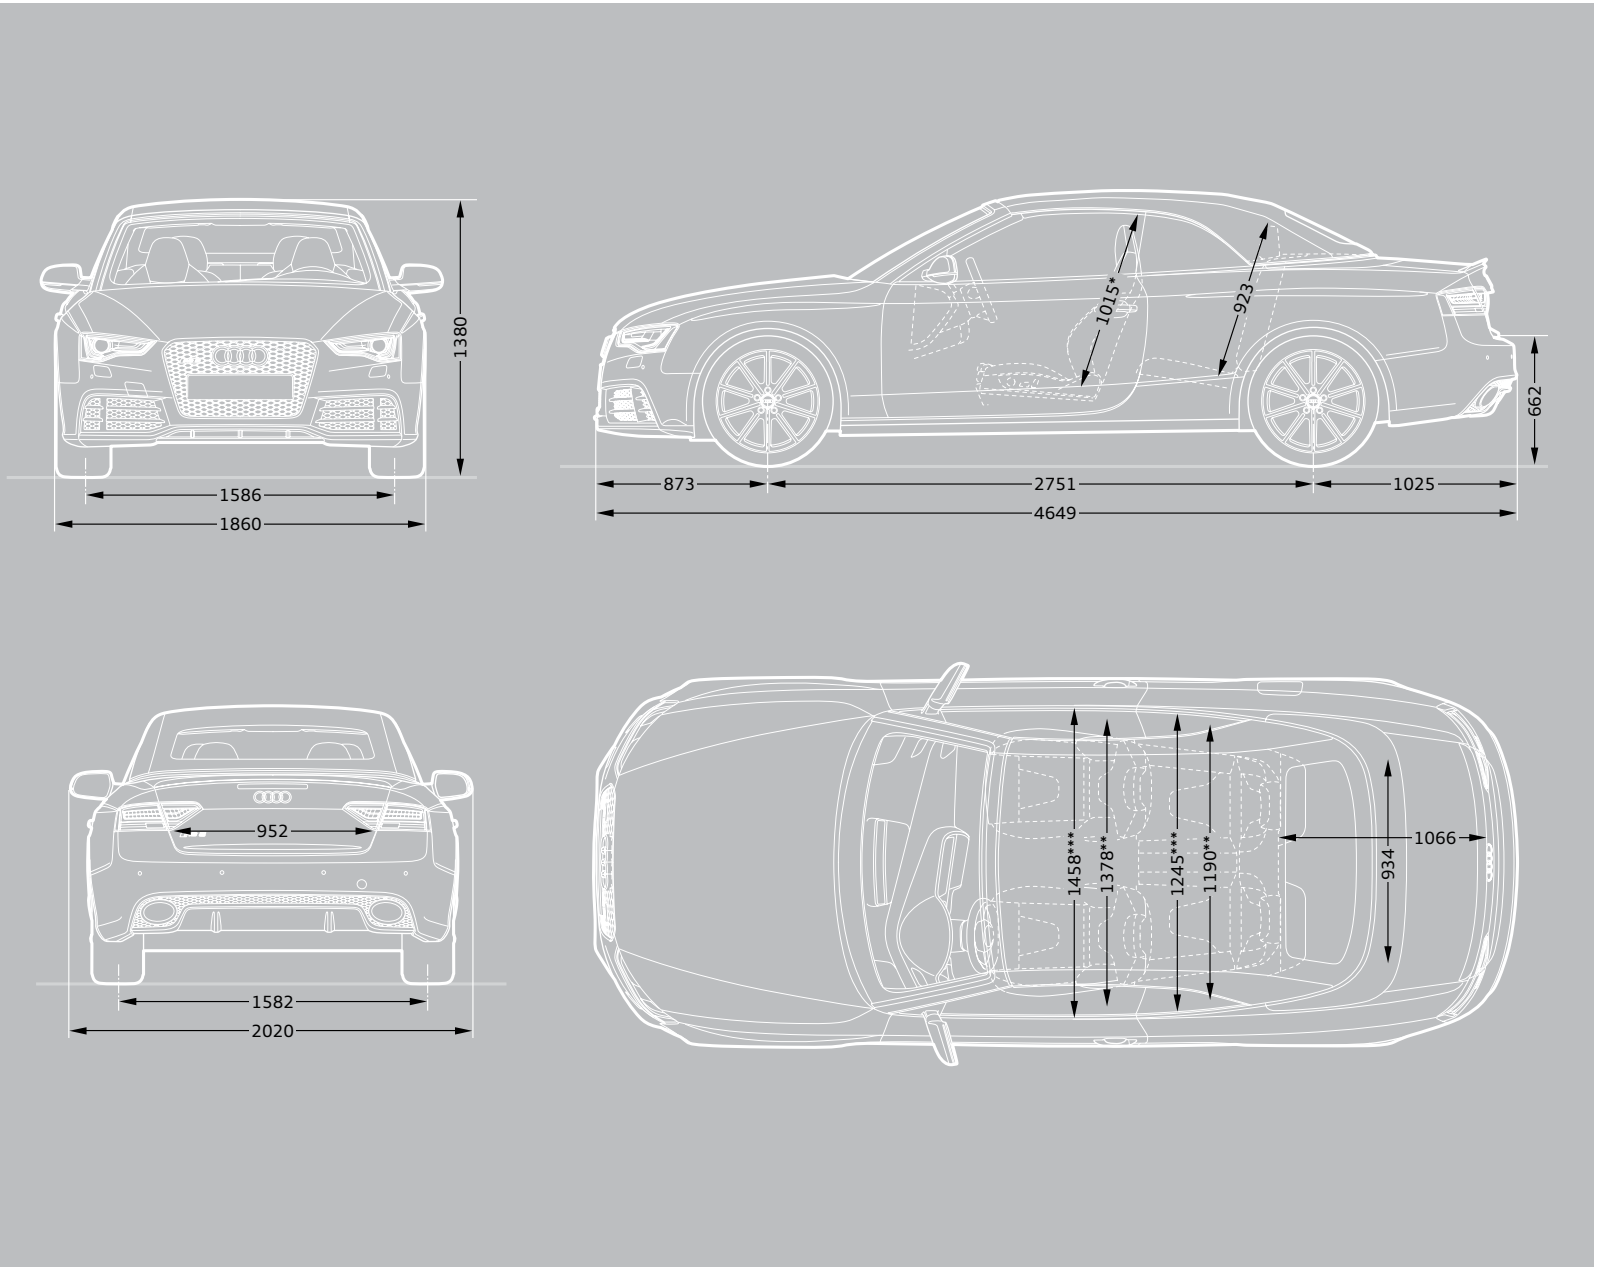
[3]Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 92/21/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

[4]Vehicle not suitable for towing equipment.

[5]Second value; loaded up to roof with rear seat folded down.

RS 5 Cabriolet dimensions

The technical drawings opposite show the exact dimensions of the RS 5 Cabriolet, so you can check everything – from whether the car will fit in your garage to whether your luggage will fit in the boot.



Dimensions in millimetres

*Maximum headroom
**Shoulder room width
***Elbow room width

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load.

Luggage compartment volume in litres: 380/750 (measured by the VDA standard test method using 200 x 100 x 50mm blocks; second value: with rear seat folded down). Turning circle approx. 11.6m.

Pricing and Additional information

Welcome to Audi

By placing an order for your Audi, you're choosing to get behind the wheel of one of the most sophisticated cars on the road. And because we believe the service we offer should be just as advanced, we want to let you know exactly what you can expect from us, now and in the future.

We've agreed a set of standards with all our Centres which governs the way we do business with you. It outlines the kind of service we promise to deliver for every customer, right down to filling each new Audi we sell with half a tank of fuel.

So whether you're interested in the date your car will arrive in the UK or the way we'll dispose of non-biodegradable materials after we service your Audi, you can have total confidence in us.

Audi Promise

Audi Centres

We guarantee that all our Centres will be open as follows:

Sales: Monday to Friday 9am–6pm
Saturday 9am–5pm

Service: Monday to Friday 8am–6pm
Saturday 8.30am–1pm

Sunday opening is at local discretion.

New car delivery

Once we've confirmed a delivery date for your car, we'll keep you informed of progress. Subject to reasonable notice, we'll then deliver it to a place of your choice, whether that's your home or work. In the unlikely event of a delay, we'll provide a courtesy car to minimise inconvenience and keep you mobile.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 20%, but this may alter to reflect any change in the applicable VAT rate.

Delivery charges and number plates are not included in the vehicle price.

Delivery charge	£471.66
Number plate	£20.00
VAT	£98.34
Total	£590.00

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the 3rd year
- A 3-year paint warranty
- A 12-year anti-corrosion warranty
- 3 years' UK roadside assistance and recovery

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information.

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialises in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there is a range of funding options to choose from.

Below is the full range of finance products, which comprises:

- Solutions – a Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter which Audi model you choose, your local Audi Centre can provide you with a personalised quote designed to fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

We want you to start enjoying your new car from day one and thanks to Audi Insurance complimentary 7-day cover, you can. Call free on 0800 316 7893 (lines are open Monday to Friday 8am–9pm, and Saturday 9am–5pm), provide a few details and a cover note will be sent to your Audi Centre. They will then tax your car and you can drive it away.

Audi Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Audi Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Additional information

CO_2 data and information

CO_2 emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO_2) a vehicle emits, measured in grams per kilometre (g/km). First year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created thirteen categories:

Petrol and Diesel engines	First year	Annual rate (second year onwards)
A – up to 100g/km	£0.00	£0.00
B – 101 to 110g/km	£0.00	£20.00
C – 111 to 120g/km	£0.00	£30.00
D – 121 to 130g/km	£0.00	£105.00
E – 131 to 140g/km	£125.00	£125.00
F – 141 to 150g/km	£140.00	£140.00
G – 151 to 165g/km	£175.00	£175.00
H – 166 to 175g/km	£285.00	£200.00
I – 176 to 185g/km	£335.00	£220.00
J – 186 to 200g/km	£475.00	£260.00
K – 201 to 225g/km	£620.00	£280.00
L – 226 to 255g/km	£840.00	£475.00
M – over 255g/km	£1,065.00	£490.00

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate
